

MESSAGE FROM THE MANAGING DIRECTOR 20 SEPTEMBER 2017

Dear SSIA members,

Today is the beginning of a very exciting future for SSIA. It is the launch of the Electronics ITM (Industry Transformation Map) and is announced by Mr S Iswaran, Minister for Trade and Industry (Industry) at the new JTC nanoSpace @ Tampines.

SSIA, working with the Economic Development Board and Enterprise Singapore, has been appointed as the HORIZONTAL ENABLER for the Electronics ITM in Singapore.

All our members will now be able to tap not only industry partners and collaborators within the industry, you will also have easy and frequent access to organisations of other industries, various government agencies and academia.

Within the 4 pillars of Innovation, Productivity, Jobs and Skills and Trade and Internationalisation, SSIA shall significantly strengthen our organization to take on the and execute expediently the expanded role as the Horizontal Enabler.

Please click on the link below for the press release of EDB and our SSIA Annex to the EDB press release.

SSIA will be launching a series of communications in the coming weeks to better inform our members of this exciting beginning of a fresh new journey.

Have a good day!

Woo Siew Wah
Managing Director
SSIA
